**HAND CRAFTED IN
BOULDER, COLORADO**

**The Ultimate in Recycled
Outdoor Comfort**

Western Red Cedar frames weather to a pleasant grey, highlighting the skis. All edges are rounded and the frames are sanded smooth. Stainless steel decking screws are countersunk throughout.

If you have a garage full of old-school winter sports gear, I will custom craft chairs using your old equipment; skis, snowboards, or even hockey sticks. You supply 3 pairs of skis* and I'll custom build a chair for you!

Your Dad's old skis...

or last season's rock skis

*Cross-Country ski chairs require 4 pairs.

Prices:

Skichair & Ottoman - \$200

Made with your skis - \$140

Snowboard Coffee Tables - \$50
